AUTHORIZATION AND LICENSE TO PUBLISH

A major mission of the USENIX Association ("USENIX") is to provide for the creation and dissemination of new knowledge. In order to facilitate this process, USENIX allows authors to retain ownership of the copyright in their works, requesting only that USENIX be granted the right to publish that work. Therefore, the parties agree as follows:

1. **Grant of Rights to Publish.** You hereby grant to The USENIX Association ("USENIX"), right to publish and re-publish the paper provisionally entitled:

Paper Title: _____

(the "Paper") in printed form, electronically, and in audiovisual formats (the "Rights"). USENIX's rights are non-exclusive, worldwide, perpetual and irrevocable, but also non-sublicensable and non-transferable. Among the rights you hereby grant to USENIX is the right to be the first publisher of the Paper. USENIX initially plans to publish the Article in the following publication: **USENIX Journal of Election Technology and Systems (JETS), Volume 1, Issue 1** (the "Original Publication") and to mount the files permanently for display on the USENIX Web site, but may also otherwise disseminate the Paper, as well as the oral presentation of the Paper (either on media or as a live broadcast), and publish overheads or slides and audiovisual content related thereto on the USENIX Web server.

2. **Posting.** You retain all rights in the Paper subject to the non-exclusive rights granted to USENIX in Section 1 above.
3. **Notice Request.** USENIX will include the following notice on the first page of the Original Publication: "Copyright to this work is retained by the author[s]."
4. **Subsequent Publication by Author.** You must include a notice of original publication by USENIX in any subsequent publication of the Paper or a revised version of the Paper.
5. **Warranties.** You warrant that:
   a. You are the sole author and owner of the Paper and the rights pertaining thereto or, if the Paper is a work of joint authorship, that all of the owners of the Paper have signed and submitted a copy of this document. If the Paper is owned by your employer, you warrant that you have obtained permission to enter into this agreement and to grant the rights herein described to USENIX.
   b. USENIX does not need the permission of any other party to exercise the rights granted herein.
   c. The Paper does not contain any defamatory or other unlawful content.
   d. The Paper does not infringe upon the rights of others.
   e. The Paper and its contents are original to you.
   f. The Paper is not currently submitted for publication elsewhere and has not been previously published elsewhere.
   g. If the Paper contains significant excerpts from other copyrighted materials, written permission from all of the copyright owners of those materials have been obtained, copies of such permissions are attached to this document, and proper credit and attribution has been given in the Paper itself.
